

New Ideas New Tasks

for our Wiki

Individual Task Suggestions

Homework Section

*Students will visit wiki periodically to learn
what their weekly homework is.*

Cultural Studies

besides homework for class activities, we can also push them to prepare cultural studies in order to increase e-mail traffic through wiki.

Task Suggestions

for all

Language Learning *through listening*

*i think language learning is one of the most
striking point in lifelong learning concept
because it opens the doors to new horizons.*

Charity Activity

*easy and cheap,
but life-saving*

*we are not only “learning” but also “caring”
organisms. We can both help someone in need and
make a name for our project all around the world.*

Thank You
